

HARRISON TROPHY

The Harrison Trophy was presented in 1947 by Mr. and Mrs. Charles F. Harrison, Sr., in memory of their son, Major Charles F. Harrison, Jr. (U.S. Cavalry), who lost his life in the Philippines during World War II while a member of the U.S. Armed Forces. This trophy is a testimonial to that soldier's lifelong interest in both training and competition with pistol and revolvers.

The Scores listed are from 1935 with the beginning of the Pistol Championship Match. The Williams Trophy was placed in competition in 1935 by Col. Kemper Williams, ORC, for the encouragement of proficiency in the use of both training and service weapons and was awarded through 1938. There is no record of a trophy for this match for 1939 through 1946, nor is there any record of the disposition of the Williams Trophy.

Match Conditions:

- 1935 An aggregate consisting of the National Match Course with the .22 caliber and center fire guns plus 20 shots slow fire, timed and rapid fire with .45 caliber pistol or revolver.
- 1937 An aggregate consisting of the National Match Course with .22 caliber, center fire and .45 caliber guns.
- 1941 An aggregate consisting of 20 shots slow fire, 50 yards; 20 shots timed and 20 shots rapid, 25 yards; and the National Match Course with .22 caliber, center fire and .45 caliber guns for a possible score of 2700 points.
